COCKTAILS

ESPRESSO MARTINI \$22

The sophisticated - yet approachable, stylish, classy, delicious, yummy, unforgettable, rich coffee Martini! When a British top model walked into a London bar in 1984 and asked for a drink that could wake her up and F#%k her up, the famous Espresso Martini was born. The great mix of Grey Goose Vodka, Kahlua Liqueur & Espresso Coffee is edgy, sophisticated & unexpectedly strong.

APEROL SPRITZ \$20

Often described as an Italian sunset in a glass, the Aperol Spritz originated in the city of Padua and has become one of the most famous cocktails from Italy. The Aperol's vibrant orange hue is slightly diluted with Prosecco & Soda, painting the Spritz with a softer sunset glow perfect for summer evenings.

SEX ON THE BEACH \$20

It's name may derive from an on-the-spot stroke of ingenuity from a Florida bartender - named after its two main attractions - beaches and sex. It's an essential drink to a night out that it might even be enshrined in some ancient law. It's impossible to imagine heading to a bar with friends and not sampling the fruity mixture of Grey Goose Vodka, Peach Schnapps and cranberry and orange juices.

COSMOPOLITAN \$22

The Cosmopolitan, typically referred to as the 'Cosmo', gained popularity during the 1990's when it was frequently mentioned on the hit television show 'Sex and the City'. The combination of Grey Goose Vodka, Cointreau Liqueur, cranberry juice & lime have made it a timeless classic.

PINA COLADA \$20

This classic cocktail has a reputation that proceeds itself, synonymous with beach holidays and that cheesy song! It might not be considered the most elegant of cocktails, but when the sun is shining it is certainly a tasty treat, which is why it has maintained its popularity for so long. It's a tropical blend of Malibu white rum, coconut cream and pineapple juice served over ice.

MOJITO \$20

Legend has it that we have Sir Francis Drake to thank for the invention of the Mojito; when an epidemic of scurvy broke out aboard his ship, he found a cure in Cuba. That recipe staved off the illness and was very similar to what we know today as the Mojito - a combination of Bacardi white rum, lime juice, sugar, soda water and mint.

LONG ISLAND ICED TEA \$24

Bombay Sapphire Gin, Grey Goose Vodka, Bacardi White Rum, Jose Cuervo Tequila, Cointreau Liqueur & Cola. Who would've ever thought that the flavour bases of these spirits could actually combine to create a highly drinkable cocktail? Although it doesn't contain tea, its taste is very similar and is a refreshing option anytime of the day.

TOBLERONE \$20

Deliciously decadent and perfect for sweet-tooths, this cocktail was inspired by the iconic Toblerone chocolate bar. It's the ultimate drink to serve in place of dessert and has creamy, nutty, chocolatey flavours. Made with cream, chocolate sauce, honey, Frangelico, Kahlua and Baileys Irish Cream, it's the perfect cocktail for those who enjoy an after-dinner treat.

FRUIT TINGLE \$20

The Fruit Tingle cocktail is a popular summer drink. It has a fruity taste similar to the old fashioned Fruit Tingle lollies, bringing your childhood memories rushing back. This is refreshing and easy to drink. The tastes come from Grey Goose Vodka, Vok Blue Curacao, Lemonade & Raspberry Cordial.

MARGARITA \$20

The origin of the Margarita recipe is fiercely debated, but we think it's got Mexico written all over it. With Jose Cuervo Tequila, Cointreau Liqueur and lime it's tart, zingy and satisfying.

MOCKTAILS

BLUE LAGOON \$10

This blue lagoon mocktail is a really fun non-alcoholic blue drink. It is a sweet and tart drink made with non alcoholic blue curacao syrup, lemon juice and lemonade for some fizz. It has a gorgeous and dazzling blue colour to it making it so much fun! It's incredibly delicious and perfectly refreshing!

TROPICAL SUNRISE \$10

There's nothing like a fruity drink on warm summer evenings! The Tropical Sunrise mocktail is a non-alcoholic variation of the classic Tequila Sunrise - except even more delicious! The drink is named after it's appearance, with the red to light orange gradient thought to resemble a sunrise.

MUDSLIDE \$10

This classic and elegant, chilled non-alcoholic drink is a favourite! It is a mix of milk and chocolate, shaken with ice and served in a chocolate lined glass.
